MISSION STATEMENT

To Deliver the Maximum Number of Republican Votes from Your Precinct

In Arizona, The precinct Committeeman is the most important elected official to our Republican Party — the dedicated men and women who hold this position constitute the foundation of our party in all 15 counties.

A precinct committeeman is a party worker at the grassroots level. Precinct Committeemen are elected by voters in their precinct during general election years. If there is not an elected committeeman, the GOP district or county chairman can appoint a committeeman to fill a vacancy. He or she must still register to run at the next primary election.
